

ALFAS Bike Hire Rental Agreement

I hereby acknowledge I have read and agree to the following rental agreement and the terms and conditions:

Helmets can be included in the rental, and are required to be worn at all times while riding bikes rented from Alfas Bike Hire. If a customer is seen riding the rental bike without a helmet, they will immediately have to return the bike with no refund.

It is the responsibility of the hirer to check the bike BEFORE setting out on any ride. Customer accepts use of the equipment, AS IS, in good condition and accepts full responsibility for care of the equipment while under their possession.

In case of theft or a broken or cracked frame the hirer will be responsible for reimbursing Alfas Bike Hire for the original price of the bike(s). If the hirer has taken out Alfas Bike Hire insurance which covers damages to the bike. It does not provide cover if the bike is stolen or the frame is cracked. In the event there is damage to the bike the hirer will be charged the first 50 euro and then the hirer will be covered for the remaining amount.

The bike insurance does not cover the hirer in anyway. Alfas Bike Hire recommends the hirer has their own personal insurance.
